

TRAVIS GREEN | EXPERIENCED SOFTWARE ENGINEER

Summerville, SC · green.travis95@gmail.com · (843)830-0855 · <https://greent3.github.io/>

Agile Software Engineer with rich full-stack and light AI experience.

WORK EXPERIENCE

Scientific Research Corporation

Software Engineer

Charleston, SC
Apr 2024 - June 2025

- Built robust and scalable **full-stack apps** with Spring Boot, React, Express, and MUI
- Architected and improved unit **tests** to minimize faults
- Built for and debugged in **containerized** environments
- Wrote **automation** scripts for future code updates

Code and Trust

Fullstack Developer

Charleston, SC
Jan 2023 - Apr 2024

- Built **RESTful APIs** and server-side logic using Node.js, Express, and Prisma.
- Implemented interactive pages and features in **React** using **lightweight reusable components** and state management
- Took customers' requests and pain-points and turned them into pull requests

Reesby IT (Recruiting Company)

AI Intern

July 2022 - Oct 2022

- Designed and implemented **ML algorithms** to parse resumes and cluster candidates.
- Built relational database schemas, automation scripts, and external API integration

US Air Force

Medic

July 2013 - Aug 2018

- Provided high-quality medical care to members of the DoD and their families
